25X1A MEMORANDUM FOR: Chief, Contracts Division, OSA

25X1A SUBJECT : Request for Contract with [REDACTED]
[REDACTED]

25X1A 1. As the operational concept for the utilization and deployment of the OXCART Aircraft has developed, the need for modifications of certain systems has become apparent. In order to support one of these new requirements, [REDACTED] was requested to prepare a proposal for the services required. These services are to modify the Special Intercept Package to enable it to provide the necessary tactical intelligence that is required for operations BLACK SHIELD, and for additional hardware and engineering services.

25X1A 2. In response to our request, [REDACTED] submitted Proposal #P-759-6A. This document describes those actions that have been found necessary to meet our immediate requirements. The costs for the separate sections of this proposal are as follows:

25X1A a. Modifications to the [REDACTED]

25X1A b. Field Engineering Services [REDACTED]

c. Hardware Requirements:

(1) 2 each additional airborne units.

(2) Ground Support Equipment [REDACTED]
